

'Meet-and-Greet' for communications work packages of H2020-funded projects on cancer

Joining efforts and ideas to improve cancer prevention and screening

31 May 2022 | 13:00 -15:00 CEST | [Zoom Meeting](#)

CONCEPT NOTE

BACKGROUND & PURPOSE

[CBIG-SCREEN](#), [PRESCRIP-TEC](#), [CHILI](#), [EU-TOPIA-EAST](#), [EquityCancer-LA](#) and [CANCERLESS](#) are 6 European projects that address the prevention and/or early diagnosis of cancer. Of these, 4 have a focus on cervical cancer. Through rigorous research methods, the projects aim to generate new evidence and develop robust and sustainable findings.

GLOBAL ALLIANCE FOR CHRONIC DISEASES (GACD) – PREVENTION AND/OR EARLY DIAGNOSIS OF CANCER (BHC-17) – Total EU funding: € 18.6 million			
CBIG-SCREEN	Working collaboratively with vulnerable women to identify the best implementation gains by screening cervical cancer more effectively in European countries	INSERM (FR)	14
PRESCRIP-TEC	Prevention and Screening Innovation Project Towards Elimination of Cervical Cancer	Academisch Ziekenhuis Groningen (NL)	15
CHILI	A Community-based HPV screening implementation in Low-Income countries	Universiteit Ghent (BE)	12
EU-TOPIA-EAST	TOWARDS imPROVED screening for breast, cervical and colorectal cancer in Eastern-Europe: Equitable, Actionable, Sustainable and Trustworthy	Erasmus Medisch Centrum Rotterdam (NL)	8
EquityCancer-LA	Improving equity in access to early diagnosis of cancer: implementation research in different healthcare systems of Latin America	El Consorci de Salut i Social de Catalunya (ES)	7
CANCERLESS	Cancer prevention and early detection among the homeless population in Europe: Co-adapting and implementing the Health Navigator Model	Medizinische Universität Wien (AT)	11

At the end of May (25-31 May), [European Week Against Cancer \(EWAC\)](#) takes place. This is a great time to continue discussions started at the [first Meet and Greet in January 2022](#) and to delve deeper into communication, dissemination and exploitation activities and issues.

OBJECTIVES

The event will provide an opportunity to:

- Present and discuss each project's **communication, dissemination and exploitation** activities, and expected outcomes and results.
- Identify **synergies, complementary activities** and goals, as well as establish ways of working together to avoid duplications.

This online meeting intends to provide an opportunity for EU-funded projects focusing on cancer prevention and early diagnosis to **connect** with each other and engage in **discussions** about their respective communications activities and deliverables. This can form the basis for future collaborations, joint participation at events or social media activities.

TARGET AUDIENCE

- Leaders, deputy leaders and members of projects' communication/dissemination Work Package (WP)
- Project coordinators
- Project managers
- Other consortium partners in each project

FORMAT

- Zoom meeting - register in advance [here](#).
- Presentations of the communication activities of each project (each followed by a short Q&A)
- Open discussion

Leaders of the communication/dissemination WPs are invited to exchange experiences, discuss communication developments and deliverables and common challenges and collaboration ideas.

Leaders of the communication/dissemination WPs (or appointed people) are invited to give a 10-minute presentation. The presentation should include:

1. A short summary (**one slide** maximum) about their **projects** (i.e. duration, funding, coordinator, partners, mission, aim, activities, outputs). Example from C-BIG SCREEN project below:

In a nutshell

 <https://cbig-screen.eu/>

 @CbigScreen

 cbig-screen

Duration **5 years** (1 March 2021 - 28 February 2026)

Funding **€ 3,6m** - Horizon 2020

Coordinator **French National Institute of Health and Medical Research**

Partners **14 partners in 10 countries**

Mission To accelerate the **elimination** of cervical cancer in Europe and tackle **inequalities** and **inequity** in cervical cancer screening (CCS).

Aim To make screening **more accessible** and **acceptable** to vulnerable groups, **attract them** to CCS programmes, and retain them from initial test to treatment.

Activities To achieve this aim, a **knowledge framework** around barriers to CCS will be created & **3 pilot interventions** in Estonia, Portugal and Romania will be carried out.

Outputs **CCS programmes tailored** to vulnerable/underserved groups & **policy recommendations**

2. A concise description of their project's **communication-related aims and deliverables** in the first 2 years of their project's lifespan;
3. The **communication tools and resources** that they can **share** with other projects;
4. What they wish to **know** from other projects and any **tasks/events/resources** they wish to **work on with other projects**.

The presentation should not be longer than 5-10 slides.

***NB:** Presenters should make sure that the presentation slides include information that they would like to make public since all project presentations will be shared with attendees.*

Time	AGENDA
13:00 – 13:05	<p style="text-align: center;">Welcome</p> <p style="text-align: center;">Moderator: Prof Marc Bardou, French National Institute of Health and Medical Research (Inserm)</p>
13:05 – 13:10	<p style="text-align: center;">Introduction</p> <p style="text-align: center;">Dr Ioannis Vouldis, European Health and Digital Executive Agency (HaDEA), European Commission</p>
13:10 – 13:20	<p style="text-align: center;">Presentation of EquityCancer-LA Prof Sónia Dias, Universidade Nova Lisboa</p>
13:20 – 13:25	<p style="text-align: center;">Q&A</p>
13:25 – 13:35	<p style="text-align: center;">Presentation of CBIG-SCREEN Dr Vanessa Moore, European Institute of Women's Health (EIWH)</p>
13:35 – 13:40	<p style="text-align: center;">Q&A</p>
13:40 – 13:50	<p style="text-align: center;">Presentation of PRESCRIP-TEC Oscar Casanova, Connexis</p>
13:50 – 13:55	<p style="text-align: center;">Q&A</p>
13:55 – 14:05	<p style="text-align: center;">Presentation of EU-TOPIA-EAST Asst Prof Eveline Heijnsdijk, Erasmus University Medical Center</p>
14:05 – 14:10	<p style="text-align: center;">Q&A</p>
14:10 – 14:20	<p style="text-align: center;">Presentation of CANCERLESS Dr Beatriz Vallina, Kveloce I+D+i (Senior Europa – Asturias)</p>
14:20 – 14:25	<p style="text-align: center;">Q&A</p>
14:25 – 14:35	<p style="text-align: center;">Presentation of CHILI Dr Heleen Vermandere, Ghent University</p>
14:35 – 14:40	<p style="text-align: center;">Q&A</p>

14:40 – 14:55	<p style="text-align: center;">Open discussion Any remaining questions/comments</p>
14:55 – 15:00	<p style="text-align: center;">Concluding remarks <i>Moderator: Prof. Marc Bardou, Inserm</i></p>
